Case No.: 6:19-CV-06122-FPG-JWF

DECLARATION OF STEVEN WEISBROT, ESQ. OF ANGEION GROUP LLC
RE: THE PROPOSED NOTICE PLAN

I, Steven Weisbrot, Esq., declare under penalty of perjury as follows:

1. I am a partner at the class action notice and claims administration firm Angeion Group, LLC (“Angeion”). I am fully familiar with the facts contained herein based upon my personal knowledge.
2. I have been responsible in whole or in part for the design and implementation of hundreds of court-approved notice and administration programs including some of the largest and most complex notice plans in recent history. I have taught numerous accredited Continuing Legal Education courses on the Ethics of Legal Notification in Class Action Settlements, using Digital Media in Due Process Notice Programs, as well as Claims Administration, generally. I am the author of multiple articles on Class Action Notice, Claims Administration, and Notice Design in publications such as Bloomberg, BNA Class Action Litigation Report, Law360, the ABA Class Action and Derivative Section Newsletter, and I am a frequent speaker on notice issues at conferences throughout the United States and internationally.

3. I was certified as a professional in digital media sales by the Interactive Advertising Bureau (“IAB”) and I am co-author of the Digital Media section of Duke Law’s *Guidelines and Best Practices—Implementing 2018 Amendments to Rule 23*.

4. I have given public comment and written testimony to the Judicial Conference Committee on Rules of Practice and Procedure on the role of direct mail, email, broadcast media, digital media and print publication, in effecting Due Process notice, and I have met with representatives of the Federal Judicial Center to discuss the 2018 amendments to Rule 23 and suggested an educational curriculum for the judiciary concerning notice procedures.

5. Prior to joining Angeion’s executive team, I was employed as Director of Class Action services at Kurtzman Carson Consultants, an experienced notice and settlement administrator. Prior to my notice and claims administration experience, I was employed in private law practice.

6. My notice work comprises a wide range of class actions that include product defect, data breach, mass disasters, false advertising, employment, antitrust, tobacco, banking, firearm, insurance, and bankruptcy cases.

7. I have been at the forefront of infusing digital media, as well as big data and advanced targeting, into class action notice programs. For example, the Honorable Sarah Vance stated in her December 31, 2014 Order in *In Re: Pool Products Distribution Market Antitrust Litigation*, MDL No. 2328:

To make up for the lack of individual notice to the remainder of the class, the parties propose a print and web-based plan for publicizing notice. The Court welcomes the inclusion of web-based forms of communication in the plan.... The Court finds that the proposed method of notice satisfies the requirements of Rule 23(c)(2)(B) and due process.

The direct emailing of notice to those potential class members for whom Hayward and Zodiac have a valid email address, along with publication of notice in print and on the web, is reasonably calculated to apprise class members of the settlement.

As detailed below, courts have repeatedly recognized my work in the design of class action notice programs:

(a) On February 24, 2017, The Honorable Ronald B. Rubin in *James Roy et al. v. Titeflex Corporation et al.*, No. 384003V (Md. Cir. Ct.), noted when granting preliminary approval to the settlement:

What is impressive to me about this settlement is in addition to all the usual recitation of road racing litanies is that there is going to be a) public notice of a real nature and b) about a matter concerning not just money but public safety and then folks will have the knowledge to decide for themselves whether to take steps to protect themselves or not. And that's probably the best thing a government can do is to arm their citizens with knowledge and then the citizens can make a decision. To me that is a key piece of this deal. ***I think the notice provisions are exquisite.*** (Emphasis added).

(b) Likewise, on July 21, 2017, The Honorable John A. Ross in *In Re Ashley Madison Customer Data Security Breach Litigation*, MDL No. 2669 (E.D. Mo.), stated in the Court's Order granting preliminary approval of the settlement:

The Court further finds that the method of disseminating Notice, as set forth in the Motion, the Declaration of Steven Weisbrot, Esq. on Adequacy of Notice Program, dated July 13, 2017, and the Parties' Stipulation—including an extensive and targeted publication campaign composed of both consumer magazine publications in *People* and *Sports Illustrated*, as well as serving 11,484,000 highly targeted digital banner ads to reach the prospective class members that will deliver approximately 75.3% reach with an average frequency of 3.04 —***is the best method of notice practicable under the circumstances and satisfies all requirements provided in Rule 23(c)(2)(B) and all Constitutional requirements including those of due process.*** (Emphasis added).

The Court further finds that the Notice fully satisfies Rule 23 of the Federal Rules of Civil Procedure and the requirements of due process; provided, that the Parties, by agreement, may revise the Notice, the Claim Form, and other exhibits to the Stipulation, in ways that are not material or ways that are appropriate to update those documents for purposes of accuracy.

(c) In the *In Re Chrysler-Dodge-Jeep EcoDiesel Marketing, Sales Practices, and Products Liability Litigation*, Case No. 17-md-02777-EMC (N.D. Cal.), in the Court's February

11, 2019 Order, the Honorable Edward M. Chen ruled:

[In addition] the Court finds that the language of the class notices (short and long-form) is appropriate and that the means of notice – which includes mail notice, electronic notice, publication notice, and social media “marketing” – is the “best notice . . . practicable under the circumstances.” Fed. R. Civ. P. 23(c)(2)(B); see also Proc. Guidance for Class Action Sett. ¶¶ 3-5, 9 (addressing class notice, opt-outs, and objections). The Court notes that the means of notice has changed somewhat, as explained in the Supplemental Weisbrot Declaration filed on February 8, 2019, so that notice will be more targeted and effective. See generally Docket No. 525 (Supp. Weisbrot Decl.) (addressing, inter alia, press release to be distributed via national newswire service, digital and social media marketing designed to enhance notice, and “reminder” first-class mail notice when AEM becomes available).

(d) On June 26, 2018, in his Order granting preliminary approval of the settlement in *Mayhew v. KAS Direct, LLC, et al.*, Case No. 16-cv-6981 (VB) (S.D.N.Y.), The Honorable Vincent J. Briccetti ruled:

In connection with their motion, plaintiffs provide the declaration of Steven Weisbrot, Esq., a principal at the firm Angeion Group, LLC, which will serve as the notice and settlement administrator in this case. (Doc. #101, Ex. F: Weisbrot Decl.) According to Mr. Weisbrot, he has been responsible for the design and implementation of hundreds of class action administration plans, has taught courses on class action claims administration, and has given testimony to the Judicial Conference Committee on Rules of Practice and Procedure on the role of direct mail, email, and digital media in due process notice. Mr. Weisbrot states that the internet banner advertisement campaign will be responsive to search terms relevant to “baby wipes, baby products, baby care products, detergents, sanitizers, baby lotion, [and] diapers,” and will target users who are currently browsing or recently browsed categories “such as parenting, toddlers, baby care, [and] organic products.” (Weisbrot Decl. ¶ 18). According to Mr. Weisbrot, the internet banner advertising campaign will reach seventy percent of the proposed class members at least three times each. (Id. ¶ 9). Accordingly, the Court approves of the manner of notice proposed by the parties as it is reasonable and the best practicable option for confirming the class members receive notice.

(e) A comprehensive summary of judicial recognition Angeion has received is

attached hereto as **Exhibit A**.

8. By way of background, Angeion is an experienced class action notice and claims administration company formed by a team of executives that have had extensive tenures at five other nationally recognized claims administration companies. Collectively, the management team at Angeion has overseen more than 2,000 class action settlements and distributed over \$15 billion to class members. The executive profiles as well as the company overview are available at www.angeiongroup.com/our_team.htm.

9. As a class action administrator, Angeion has regularly been approved by both federal and state courts throughout the United States and abroad to provide notice of settlement and claims processing services.

10. This declaration will describe the Notice Program that we will implement in this matter, including the considerations that informed the development of the plan and why it will provide Due Process of Law to the Class.

SUMMARY OF THE NOTICE PROGRAM

11. In my professional opinion, the Notice Program detailed below is the best notice that is practicable under the circumstances and fully comports with due process and Fed. R. Civ. P. 23. The Notice Program provides individual direct notice to all reasonably identifiable Settlement Class Members, coupled with a dedicated website and toll-free telephone line to further provide awareness and diffuse news of the Settlement to Settlement Class Members.

DIRECT NOTICE

Email Notice

12. Angeion has been informed that it will be provided with approximately 23,269 email addresses for Settlement Class members for whom Defendant has email addresses and who agreed to receive account statements and information from Defendant by email. Angeion will cause notice of the Settlement to be sent to all valid email addresses it receives.

13. As an initial matter, Angeion designs the email notice to avoid many common “red flags” that might otherwise cause a Settlement Class members’ spam filter to block or identify the email notice as spam. For instance, Angeion does not include the Long Form Notice as an attachment to the email notice, because attachments are often interpreted by various Internet Service Providers (“ISP”) as spam. Rather, in accordance with industry best practices, Angeion includes a link to all operative documents so that Settlement Class members can easily access this information.

14. Angeion also accounts for the real-world reality that some emails will inevitably fail to be delivered during the initial delivery attempt. Therefore, after the initial noticing campaign is complete, Angeion, after an approximate 24-72-hour rest period (which allows any temporary block at the ISP level to expire) causes a second round of email noticing to continue to any email addresses that were previously identified as soft bounces and not delivered. In our experience, this minimizes emails that may have erroneously failed to deliver due to sensitive servers and optimizes delivery.

15. At the completion of the email campaign, Angeion will report to the Court concerning the rate of delivered emails accounting for any emails that are blocked at the ISP level.

Mailed Notice

16. Angeion has been informed that it will be provided with approximately 19,651 mailing addresses for Settlement Class members for whom Defendant does not have email addresses and/or who did not agree to receive account statements and information from Defendant by email. Angeion will cause a postcard notice of the Settlement to be mailed to each Settlement Class member for whom Angeion is provided with a physical mailing address and who did not agree to receive account statements and information by email. Likewise, Angeion will cause a postcard notice of the Settlement to be mailed to each Settlement Class member whose email notice could not be delivered. The postcard notice will be sent via the United States Postal Service (“USPS”) first-class mail, postage prepaid.

17. In administering the Notice Program in this action, Angeion will employ the following best practices to increase the deliverability rate of the mailed postcard notices. Angeion will cause the

mailing address information for members of the Settlement Class to be updated utilizing the National Change of Address (“NCOA”) database, which provides updated address information for individuals or entities who have moved during the previous four years and filed a change of address with the USPS.

18. Notices returned to Angeion by the USPS with a forwarding address will be re-mailed to the new address provided by the USPS and the class member database will be updated accordingly.

19. Notices returned to Angeion by the USPS without forwarding addresses will be subjected to an address verification search (commonly referred to as “skip tracing”) utilizing a wide variety of data sources, including public records, real estate records, electronic directory assistance listings, etc., to locate updated addresses.

20. For any Settlement Class Members where a new address is identified through the skip trace process, the class member database will be updated with the new address information and a postcard Notice will be re-mailed to that address.

PLAIN LANGUAGE NOTICE DESIGN

21. I have reviewed the proposed Notice forms to be used in this matter. The proposed Notice forms used in this matter are designed to be “noticed,” reviewed, and--by presenting the information in plain language—understood by Class Members. The design of the notices follows principles embodied in the Federal Judicial Center’s illustrative “model” notices posted at www.fjc.gov. The notice forms contain plain-language summaries of key information about Settlement Class members’ rights and options pursuant to the Settlement. Consistent with normal practice, prior to being delivered and published, all notice documents will undergo a final edit for accuracy.

22. Rule 23(c)(2) of the Federal Rules of Civil Procedure requires class action notices to be written in “plain, easily understood language.” Angeion Group maintains a strong commitment to adhering to this requirement, drawing on its experience and expertise to craft notices that effectively convey the necessary information to Settlement Class members in plain language.

RESPONSE MECHANISMS

23. The Notice Program will also implement the creation of a case-specific website, where Settlement Class members can easily view general information about this class action Settlement, review relevant Court documents, and view important dates and deadlines pertinent to the Settlement. The website will be designed to be user-friendly and make it easy for Settlement Class members to find information about the case. The website will also have a “Contact Us” page whereby Settlement Class members can send an email with any additional questions to a dedicated email address.

24. A toll-free hotline devoted to this case will be implemented to further apprise Settlement Class members of their rights and options pursuant to the terms of the Settlement. The toll-free hotline will utilize an interactive voice response (“IVR”) system to provide Settlement Class members with responses to frequently asked questions and provide essential information regarding the Settlement. This hotline will be accessible 24 hours a day, 7 days a week.

CONCLUSION

25. The Notice Program outlined above includes direct notice to all reasonably identifiable Settlement Class members, combined the implementation of a dedicated settlement website and toll-free hotline to further inform Settlement Class members of their rights and options in the Settlement.

26. In my professional opinion, the Notice Program will provide full and proper notice to Settlement Class members before the opt-out and objection deadlines. Moreover, it is my opinion that the Notice Program is the best notice that is practicable under the circumstances, fully comports with due process and Fed. R. Civ. P. 23. Here, the Notice Program utilizes direct notice via mail and/or email to every Class Member who can be identified through reasonable effort. This represents virtually the entire Class population and is clearly the best notice that is practicable under the circumstances.

27. After the Notice Program has concluded, Angeion will provide a final report verifying its effective implementation.

I hereby declare under penalty of perjury that the foregoing is true and correct.

Case No. 4:16-cv-02200

The Honorable Haywood S. SA § IV.A, C; Dkt. No. 205-12 at ¶¶ 13–23. The publication notices will run for four consecutive weeks. Dkt. No. 205 at ¶ 23. The digital media campaign includes an internet banner notice implemented using a 60-day desktop and mobile campaign. Dkt. No. 205-12 at ¶ 18. It will rely on “Programmatic Display Advertising” to reach the “Target Audience,” Dkt. No. 216-1 at ¶ 6, which is estimated to include 30,100,000 people and identified using the target definition of “Fast Food & Drive-In Restaurants Total Restaurants Last 6 Months [Chipotle Mexican Grill],” Dkt. No. 216-1 at ¶¶ 9–12. And through “learning” technology, it continues placing ads on websites where the ad is performing well. Id. ¶ 7. Put simply, prospective Class Members will see a banner ad notifying them of the settlement when they search for terms or websites that are similar to or related to Chipotle, when they browse websites that are categorically relevant to Chipotle (for example, a website related to fast casual

The Court further finds that the Class Notice program described in the Settlement is the best practicable under the circumstances. The Class notices and Class Notice program constitute sufficient notice to all persons entitled to notice. The Class notices and Class Notice program satisfy all applicable requirements of law, including, but not limited to, Federal Rule of Civil Procedure 23 and the Constitutional requirement of Due Process.

CORCORAN, ET AL. v. CVS HEALTH, ET AL.

Case No. 4:15-cv-03504

The Honorable Yvonne Gonzalez Rogers, United States District Court, Northern District of California (November 22, 2019): Having reviewed the parties’ briefings, plaintiffs’ declarations regarding the selection process for a notice provider in this matter and regarding Angeion Group LLC’s experience and qualifications, and in light of defendants’ non-opposition, the Court APPROVES Angeion Group LLC as the notice provider. Thus, the Court GRANTS the motion for approval of class notice provider and class notice program on this basis.

Having considered the parties’ revised proposed notice program, the Court agrees that the parties’ proposed notice program is the “best notice that is practicable under the circumstances.” The Court is satisfied with the representations made regarding Angeion Group LLC’s methods for ascertaining email addresses from existing information in the possession of defendants. Rule 23 further contemplates and permits electronic notice to class members in certain situations. See Fed. R. Civ. P. 23(c)(2)(B). The Court finds, in light of the representations made by the parties, that this is a situation that permits electronic notification via email, in addition to notice via United States Postal Service. Thus, the Court APPROVES the parties’ revised proposed class notice program, and GRANTS the motion for approval of class notice provider and class notice program as to notification via email and United States Postal Service mail.

IN RE: CHRYSLER-DODGE-JEEP ECODIESEL MARKETING, SALES PRACTICES, AND PRODUCTS LIABILITY LITIGATION

Case No. 3:17-md-02777

The Honorable Edward M. Chen, United States District Court, Northern District of California (February 11, 2019): Also, the parties went through a sufficiently rigorous selection process to

JUDICIAL RECOGNITION

select a settlement administrator. See Proc. Guidance for Class Action Sett. ¶ 2; see also Cabraser Decl. ¶¶ 9-10. While the settlement administration costs are significant – an estimated \$1.5 million – they are adequately justified given the size of the class and the relief being provided.

In addition, the Court finds that the language of the class notices (short and long-form) is appropriate and that the means of notice – which includes mail notice, electronic notice, publication notice, and social media “marketing” – is the “best notice...practicable under the circumstances.” Fed. R. Civ. P. 23(c)(2)(B); see also Proc. Guidance for Class Action Sett. ¶¶ 3-5, 9 (addressing class notice, opt-outs, and objections). The Court notes that the means of notice has changed somewhat, as explained in the Supplemental Weisbrot Declaration filed on February 8, 2019, so that notice will be more targeted and effective. See generally Docket No. 525 (Supp. Weisbrot Decl.) (addressing, inter alia, press release to be distributed via national newswire service, digital and social media marketing designed to enhance notice, and “reminder” first-class mail notice when AEM becomes available).

Finally, the parties have noted that the proposed settlement bears similarity to the settlement in the Volkswagen MDL. See Proc. Guidance for Class Action Sett. ¶ 11.

This Court has previously held the Notice and notice plan to be reasonable and the best practicable under the circumstances in its Preliminary Approval Order dated August 6, 2018. (Dkt. 191) Based on the declaration of Steven Weisbrot, Esq. of Angeion Group (Dkt. No. 209-2), which sets forth compliance with the Notice Plan and related matters, the Court finds that the multi-pronged notice strategy as implemented has successfully reached the putative Settlement Class, thus constituting the best practicable notice and satisfying due process.

Case No. 7:16-cv-06981

The Honorable Vincent J. Briccetti, United States District Court, Southern District of New York (June 26, 2018): In connection with their motion, plaintiffs provide the declaration of Steven Weisbrot, Esq., a principal at the firm Angeion Group, LLC, which will serve as the notice and settlement administrator in this case. (Doc. #101, Ex. F: Weisbrot Decl.) According to Mr. Weisbrot, he has been responsible for the design and implementation of hundreds of class action administration plans, has taught courses on class action claims administration, and has given testimony to the Judicial Conference Committee on Rules of Practice and Procedure on the role of direct mail, email, and digital media in due process notice. Mr. Weisbrot states that the internet banner advertisement campaign will be responsive to search terms relevant to “baby wipes, baby products, baby care products, detergents, sanitizers, baby lotion, [and] diapers,” and will target users who are currently browsing or recently browsed categories “such as parenting, toddlers, baby care, [and] organic products.” (Weisbrot Decl. ¶ 18). According to Mr. Weisbrot, the internet banner advertising campaign will reach seventy percent of the proposed class members at least three times each. (Id. ¶ 9). Accordingly, the Court approves of the manner of notice proposed by

JUDICIAL RECOGNITION

the parties as it is reasonable and the best practicable option for confirming the class members receive notice.

MDL No. 2669/Case No. 4:15-md-02669

The Honorable John A. In addition, Class Notice clearly and concisely states in plain, easily understood language: (i) the nature of the action; (ii) the definition of the certified Settlement Class; (iii) the claims and issues of the Settlement Class; (iv) that a Settlement Class Member may enter an appearance through an attorney if the member so desires; (v) that the Court will exclude from the Settlement Class any member who requests exclusion; (vi) the time and manner for requesting exclusion; and (vii) the binding effect of a class judgment on members under Rule 23(c)(3).

ROY v. TITEFLEX CORPORATION t/a GASTITE and WARD MANUFACTURING, LLC

Case No. 384003V

The Honorable Ronald B. Rubin, Circuit Court for Montgomery County, Maryland (February 24, 2017): What is impressive to me about this settlement is in addition to all the usual recitation of road racing litanies is that there is going to be a) public notice of a real nature and b) about a matter concerning not just money but public safety and then folks will have the knowledge to decide for themselves whether to take steps to protect themselves or not. And that's probably the best thing a government can do is to arm their citizens with knowledge and then the citizens can make decision. To me that is a key piece of this deal. ***I think the notice provisions are exquisite*** [emphasis added].
